

GREAT NEWS FROM KROGER!

Kroger has now made fundraising easier with the Kroger Neighborhood Reward Program. You can help us raise funds for League's Education Fund (DALWVEF) when you buy your groceries by purchasing a gift card from us for \$5. Your gift card will immediately have \$5 worth of groceries or services on it (this includes Kroger gas & purchases at Kroger's Pharmacy!). Take your gift card to your Kroger store and load more money on it (using your credit card, cash, or check) BEFORE you start shopping. When your cashier finishes ringing up your order, just swipe your gift card (like you would a credit card) and pay for your groceries. After you have purchased your groceries, your balance will show on your receipt.

This is a "gift card" that you don't throw away; when the balance gets low, reload the card. Every time we reach \$5,000 or more in reloads (as a group, not just you individually), we will receive a rebate check for 4% of the total amount (4% of \$5,000 is \$200 for us!). So, it's as easy as 1, 2, 3 to make money for our Education Fund:

1. Purchase a Kroger Gift card for \$5 by calling the office (228-4041).
2. Reload your card with additional value before you shop at Kroger.
 - a. You may reload your card with any amount up to \$250 at one time.
 - b. You may pay for your reloads with cash, check or major credit card.
 - c. You will need to reload your card at the register BEFORE your purchases are scanned in a separate transaction at the register or at the service desk.
 - d. The balance on your card will show at the bottom of your receipt.
You may also obtain your balance at the customer service desk, the register, by calling 866-822-6252, or at www.gcbalance.com
3. Every four weeks, Kroger looks at how much we have spent as a group. If we have \$5,000 or more in reloads, Kroger will send us a check for 4% of the amount and we start adding up our purchases for the next four-week cycle. If we haven't purchased \$5,000 worth of items in a given four-week cycle, our total will roll over into the next four-week cycle.

These cards can also make great gifts – Mother's Day, Father's Day, for students going off to college, etc. Buy one for your teenage shopper to use for groceries or gas – it's much better than loaning them your credit card! After we gift these folks, let's encourage them to reload and continue to use the card to earn dollars for our Education Fund.

Besides being accepted at all Kroger Stores (and their Pharmacies) throughout the U.S., your gift card can be used at Fred Meyer, Ralphps, Fry's & Fry's Marketplace, King Soopers, Dillons, Smith's Food & Drug, City Market, QFC, Food 4 Less, Owen's, FoodsCo. Hilander, Pay-Less, Cala-Bell, Baker's, JayC, Fred Meyer Jewelers, Littman & Barclay Jewelers.

Any questions, please call the League office at 228-4041.
