The Dayton Area League of Women Voters Education Fund was established in 1969 to support the non-partisan, educational activities of the League of Women Voters of the Greater Dayton Area, which promotes political responsibility through informed and active participation of citizens in government. Activities include informing voters of ballots issues and candidates running for public office, and disseminating publications such as this directory.

SPECIAL NOTES

The date in parentheses denotes the year in which that seat would normally be up for election. It does not take into consideration appointments made until the next local or special election.

** Denotes an appointment.*

*** Denotes an appointment to an unexpired term, with seat to be contested in a special election.*

State Statute 121.11, known as the Sunshine Act, requires public officials to take official action and conduct all deliberations upon official business only in open meetings, unless subject is specifically excepted by law. Meeting dates and times published in the book are the regular sessions of the public body. Circumstances may change these dates and give reason for special meetings. We suggest the public body be contacted for verification of meeting dates and requirements for notifications.

Where available E-mail, web addresses, and 2000 census population figures have been included.

HOW TO COMMUNICATE WITH YOUR PUBLIC OFFICIALS

LETTERS

Letters, fax and e-mail messages are often important in influencing action. Public officials are more likely to respond to an individually worded letter or card.

Handwritten letters are fine if they are readable, but typewritten letters are preferable. Include your address and sign your name. If there is a family, business, or a political connection related to the issue, explain the connection. This may serve as identification when your point of view is considered.

If you are writing about a particular bill, identify it by number or title if you can. (See page 3 for telephonenumberes for up-to-date state and federal legislative information.)

Be courteous and reasonable. Being rude or threatening is nonproductive.

Keep your letter short. Write out only one point in one letter. Be specific about the action you urge. Indicate one or more reasons for your position. Be concise, direct and factual in your presentation.

Be sure your representatives know your point of view. They cannot reflect your position if it is not clearly understood.

Public officials hear most often from constituents who oppose their actions. Write to say you approve of an action, not just to complain or oppose.

ONLINE UPDATES NOW AVAILABLE

Updates to the *Directory of Public Officials* are now available at the League website:

<http://www.lwvdayton.org/VtrServ/DPO-2010.pdf>

The entire *Directory of Public Officials* can be searched and printed. You can also connect directly to any of the websites listed in the directory.

REGISTERING TO VOTE

In order to register, you must be:

1. A citizen of the United States, and
2. At least 18 years old on or before the day of the next general election*, and
3. You will be a resident of Ohio for at least 30 days before an election, and

You may register year-round at all Boards of Elections, county libraries, schools, Human Services Departments, and license bureaus. Also, virtually every municipal and township office will accept registrations.

Registration forms may be requested by mail or telephone from your County Board of Elections or picked up at any agency authorized to register voters.

In Montgomery County you may check your registration status on-line. Go to www.mcboe.org and click on "Am I registered to vote?"

*Note that this means a registered 17-year-old voter is qualified to vote in candidates' races only (not on issues) even before attaining age 18 as long as the voter will be 18 by general election day. Contact the Board of Elections or the League of Women Voters for details.

DID YOU KNOW THAT ...

The polls are open from 6:30 AM to 7:30 PM.

You do not have to declare a political party to register. Voters declare their party at the polls **only** if they wish to vote in a **primary election** for candidates of their party. If you do not wish to declare a party, you are entitled to vote on issues only.

ABSENTEE VOTING

Absentee voting allows you to vote at any time up to 25 days before a Primary Election and 35 days before a Special Election and a General Election.

A qualified Ohio voter does not have to state a reason to vote by an absentee ballot, although the ballot must be applied for in writing. If you are properly registered to vote, you must submit your written request to the board of elections.

The request must give the following information:

- Your name and voting residence.
- The election for which you are requesting a ballot.
- Your party choice, IF the election is a Primary, or that you want to vote an issues-only ballot.
- The mailing address to which you want your ballot sent.
- Your date of birth.
- Your complete legal signature or mark.

If you are serving on active duty in the U.S. armed forces outside the state, you, your spouse and dependents may vote by an armed service absentee ballot if you otherwise meet the requirements for voting in Ohio. Your spouse and dependents may vote by an armed service absentee ballot only if they left Ohio to be with you.

For details, call the Board of Elections within your county:
